

Eudunda Golf Notes: Sunday 30th May 2010

It's been 36 years since the Knight name has been on the leader board for the Eudunda Golf Club A Grade Champion Competition.

In conditions that only the very brave or a die hardened golfer would even consider attempt playing in existed for the handful of players competing in the first round of the Eudunda Golf Clubs Club Champion competition.

There were some amazing efforts none better than when John Mosey who is the current Club Champion drove off the 2nd tee block wind assisted 300 metres and it was touted back in the 19th hole that with no run at all due to the amount of rain we have had in the last week was easily one of the longest carries from that position ever struck in the history of the club, it was truly a sight to behold.

Matt ward who braved the conditions without water proofs went through a couple of umbrellas along the way and was very pleased to return to the comfort of the club house to be greeted by a couple of sparkling west ends.

Tim Knight plugged away in the conditions playing the more controlled golf to take the early lead in this year's A Grade club championship which "Tim said was truly an honour to hold in a competition his father ruled for many years in days gone by"

The very pleasing rains have changed the course immensely and the beautiful green backdrop which the golf course offers the town is quickly being realized.

Eudunda is said to have something special about it and when you look around it becomes very obvious that it is the Eudunda Golf Course and Club which has so much to offer. So before you get too old or you find yourself complaining that there is nothing to do take on the challenge knowing the difference is that everyone is a winner in golf. It only takes one good shot and it can last a week to make you want to see if you can do it again the following week.

Vice Captain John Mosey reminded the players that there are a number of players who have not taken on the challenge of the first round of the Laucke Mills Par comp and asks that if anyone is unable to play please contact their opponent allowing them to progress into the next round: S Turner v T Knight, K Laucke v W Mader, P Laucke v J Mosey, B Howell v C Ireland, R Marshall v R Rohde, M Ward v B Warner and M Twartz v G Patterson.

Next weeks competition will be held on Saturday the 5th June and is the Foodland Stableford which is also the second round of the W.F Laucke Memorial perpetual trophy this takes in the best 4 out of the 6 allocated rounds, please remember everyone is very welcome see you there.

Golf Tip of the week: In the wet conditions always carry 2 golf hand towels in your bag for your clubs one for the grip and the other for the head.
