

## **Eudunda Golf Club Notes Sunday 18<sup>th</sup> April 2010**

### **First Sunday Golfing fixture a great success**

President Roy Fiegert was delighted with the Sunday Gathering giving a whole new meaning to a family fun day on a golf course.

Fathers who are involved in Football either coaching and or administrating along with enjoying their sons playing were treated to the added pleasure of having a game of golf with them in a competition because of the season changes the golf club has made to its 2010 program.

This will allow the club an opportunity of accommodating the new Southern Saints Football club players made up of Robertstown and Eudunda players, supporters and officials on all home games on a Sunday who would like a game.

The day started with a Free BBQ to give the players a bit of energy and enable all to catch up with each other after the summer break. Once well acquainted President Roy welcomed everyone to the Eudunda Golf Club giving them a brief rundown of the work necessary to prepare the course for the days play. He then asked John R Mosey the 2009 Club Champion to officially open the season by hitting the first ball and with a huge drive passing the v in the hill on the first the teams headed off to enjoy the Summer style of game needed to tackle the course.

John Moseys team came in with an impressive 6 under for the 9 holes played followed by Roy's team with a 2 under. The young fellas were very keen and continued playing until the dad's had decided they had had enough and it was time to go home.

The camaraderie at the 19<sup>th</sup> was interesting with a mixture of golf and footy stories all agreeing that a great day was had by all.

The next golf game is on Saturday 24<sup>th</sup> April being the Presidents Trophy Play starts at 11.30 for a 12 O'clock start.

Everyone is very welcome, we look forward to seeing you there.

Golf Tip of the week: It's nice to have people watching. They help me find my ball sometimes.
