

John Mosey wins the Foodland trophy leaving the field in his wake.

Once again the weather man promised rain and wind in all sorts of proportions but fortunately we were treated to a beautiful day for golf. John Mosey thought that anyway; as he won the day by 4 clear Stableford points from his nearest rival Preston Eva and even further in front of Tim Knight who was another 2 points behind. It was obvious that everyone was expecting the weather to change at any time so there were no takers for the Club Championships or Match play competitions. John suggested his swing is still a long way from where he really wants it to be and that of course is to notch up another Club Championship knowing that the more he plays the better he will perform when it counts.

Congratulations to Mike Christie for the great improvement in his game with his putting being a feature and now after 3 cards has his club handicap. Ted Bowden drove exceptionally well today and now has earned his Club Link card with 5 cards being submitted and is eligible to play on any course in Australia with a legitimate handicap. Well done guys and good luck with your golfing futures it was great to observe your keenness and good sportsmanship during last Sundays round.

Thank you must go to the continual work around the course in the form of weeding, clearing and mowing which is giving every player the opportunity of enjoying their games even more and it is pleasing to note that the big dam is virtually dry so it should not be to long before we are back on the 2nd and 11th holes enjoying the course in it's entirety as we know it.

Next Week's competition: At the presentations it was announced that next week's competition is the Eudunda Hotel Motel Flag Competition which is to be played on Saturday the 11th June and Vice Versa Captain and stand in MC Preston Eva has asked that players be at the Club house at 11.30am for a 12 O'clock start and please take the opportunity as each week goes by to play your Match Play and Club Championship matches remembering that everyone is very welcome. See you there.

Golf tip of the Week: Golf is a journey that takes in many interesting destinations, we must learn to take our time at each location and make the most of it remembering and sharing our great moments. Enjoy.
