Bill Knight said,

“The Polo Shirts and hats that were given out to the players this year created such an incredible sea of colours that will be very hard to beat in future years.”

Fay Argent was heard to say that she admired how the players were prepared to face the elements again. It was unusual to have hail on both days, but we did! I don't know what it is but golfers must be either mad or they know something the rest of us don't. This is my second JAK as a visitor and a volunteer, and I enjoy it.

The ladies entrants standards were high with Rosanne Rule taking the honours and teaming up with Heather Knight, Tanya Taminga and Julie Schultz playing through all of the elements. Other ladies competing were Millie Knight, Sharon Green, Kath Burr and Helen Jones.

The Jack Knight Memorial Open three time winner Jamie Trezise, "I praise the club for its ability to attract such a big field and cap it off by accommodating for the players needs and comforts no matter what the weather conditions happen to be".

Xpat Richard Walsh who travelled from interstate said "This is my second visit to Eudunda in 30 years and the reason both times was to play golf and catch up with my old school mates. Thanks to Ian Knight for letting me know when the JAK is on."

Others Eudunda Boys were Mark Pettigrew, Wayne Gehling, Allan Rohde, Geoff Thiele and Phil Grosser. Many stories were exchanged at Churchies 19<sup>th</sup> hole. The JAK is also a time for non players to drop in and catch up with old friends, and many locals took advantage of this including Greg Post.

Thanks to Bistro for his magnificent effort on the Bundy Bear hole raising over \$800.00 for legacy with the aid of the head shaving of Peter Herriman in the next couple of weeks. Peter's shave also raised over \$300.00 for cancer research on Sunday at the JAK.
