Glenelg Golf Course - Legacy Governors Cup

It all started on Friday when Tim Knight was runner up in the Legacy Governor's Cup at the Glenelg Golf Course where over 100 plus golfers from all over the state contested for the coveted trophies. When accepting the award from His Excellency Rear Admiral Kevin Scarce; Governor of South Australia; Tim suggested "My thoughts being of Legacy are of his nephew Simon, who is serving in Afghanistan at the moment. It sends the message home of how important Legacy has been and still is to so many Australians risking their lives for their country". The Governor was sympathetic and understood totally as his family were and are very military orientated and wished Simon well.

Eudunda Golf Course - Sskids Tyres Stableford Competition

On Saturday it was Preston Eva's turn to stand up and Stand Up he did in the Sskids Tyres Stableford Competition back home at Eudunda. He won easily by amassing 51 Stableford points blitzing his nearest rival by 12 points. President Roy who teamed up with Preston said that in all the years he has played golf he has witnessed reaching 50 points on only a hand full of times but it was the way in which Preston played and the obvious joy it brought to him which was infectious and Roy was gaining that same feeling. (Rumour has it that Preston thought a set of 4 tyres were the prize from Sskids Tyres, rather than the normal trophies and that incentive had Preston play so well). Well done Preston and keep up the great golf.

Balaklava Golf Course - The Mid North Golf Association Annual Open

The Mid North Golf Association held its yearly open on Sunday at the Balaklava Golf Course and that was where Lauchie Ireland played his best round ever to blitz the field in his grade with a scratch score of 87 Net 60 and a cool 48 Stableford points to boot. Lauchie said it was a wonderful experience for him to play a round with similar handicap golfers from other clubs firstly taking them on in competition, on an unknown golf course and then playing the much better game. He appreciated the fairness and encouragement from the players he had never met, learning that golf is a game of diplomacy where friends can be made and etiquette is the name of the game. Well done Lauchie, the Eudunda Golf Club is very proud of your achievements and wish you to keep up the great golf.

Next week's game: is the Vice Captains Stableford comp on Saturday the 3rd of September for a 12 O'clock start and everyone is very welcome.

At the Mid North Golf Association's Annual Open held at the Balaklava Golf Course, Lauchie Ireland played his best round ever to blitz the field in his grade. L-R: Rob Reiman of Gawler Caddieshack; sponsor of the Open Day congratulates Lauchie.

Tip of the week: Think about where you want the ball to go rather than not where you're afraid it may go.
