

## Eudunda Golf Notes Saturday 14<sup>th</sup> May 2011

### ***Patto Does it again making it 3 Weeks of Play yielding 3 Wins***

Garry Patterson had another great day at the office to make it 3 from 3 and was very humble in his achievements. "I thought I had muffed it with 3 double bogies on the last 3 holes but my front nine of 21 points was what got me over the line. Runner up Preston Eva was very pleased with his back nine scoring well but more happy with his consistency scoring on 17 of the 18 holes. Others in the mix were Tim Knight and John Mosey both with 34 points showing some Great golf with a couple of birdies each but probably trying to power their way around the course and whilst the course is in its semi dry with long rough can prove very costly as they both found out.

Ted Bowden seems to have picked up his strong desire to take on the challenge again handing in another card to earn his current handicap showing some signs of good golfing sense with a birdie and several pars on the day. Vice Captain John Mosey voiced his concern with the hickory shafts Ted continues to play with but Ted assured him that when the time is right he may make the change to the latest clubs on the market. So be warned young and old that Ted is planing his assault. Thanks for the work done on the big dam as well Ted digging a channel to try and fasten up the drying process it showed some good signs by what you have done.

The Match play draw continues with the following players asked to arrange their matches in the next 3 weeks and if you cannot play please contact either your opponent or Secretary Tim Knight to enable the draw to proceed.
